

THE BULLETIN

A NEWSPAPER BY AND FOR Y-12 EMPLOYEES OF UNION CARBIDE NUCLEAR COMPANY **DIVISION OF UNION CARBIDE CORPORATION**

Vol. 12 - No. 37

OAK RIDGE, TENNESSEE

Wednesday, September 10, 1958

THE BIGGEST NUT at the wheel of any motor vehicle usually is the driver. That shouldn't be any Y-12er.

Number Of Y-12ers Hurt In Traffic Doubled Over 1957

Two Fatalities Also **Blot Off-Job Record**

According to latest available information, Y-12ers and members of their families escaped death or injury in the annual Labor Day holiday traffic slaughter that claimed 432 lives throughout the nation. That, in itself, is an indication that Y-12ers as a whole are careful and safe drivers—although statistics for the first seven months of 1958 compiled by the Safety Department show that the number of Y-12 employees disabled temporarily by automobile

THERE'S A LOT OF RESPONSIBILITY for the Very Important Person behind the wheel. All Y-12 drivers are urged to be VIPs for their own safety and for that of others to reduce the toll of traffic accidents.

Drivers Are Declared 'VIPs' Behind Wheel

same period of 1957 the figures were 14 and 314.

These figures do not, of course, include the two deaths as a result of traffic mishaps suffered by Y-12 employees. One of these occurred January 27 in an accident on Oak Ridge Highway near Knoxville. The other happened on March 1 on the highway between Oliver Springs and Harriman.

Y-12ers NOT Blamed

That comparison should be food for a lot of thought. It is NOT a condemnation of driving habits of Y-12ers — as blame for accidents involving Y-12 employees is not fixed in reports received by the Safety Department, However,

highway-such violations could provoke a fatal accident.

DON'T PLAY HUMAN roulette on the

the alarming increase in number of Y-12ers disabled in traffic mishaps could be a valuable costly - reminder to the lucky persons who have escaped death or disabling injuries to take stock of their driving as well as that of

Driving Is Responsibility

It is well to remember that the privilege of driving a motor vehicle is one of which to be proud - and it gives added responsibilities at the same time. As the man behind the wheel, the driver is a Very Important Person who can do the most to solve the tragic problem of death on the nation's highways.

Here are some suggestions for that Very Important Person behind the wheel-

1. Concentrate on where you are and what you are doing; not on where you are going or where you have been.

Courtesy Pays Off

2. Be courteous and considerate of the other driver — but also be alert to any rash act on his part. It doesn't pay to "give him a lesson." That is perhaps the most expensive form of "instruction" known to man.

3. Don't allow emotion to upset your driving. Even if another driver "cuts you off" and nearly caused a collision - it doesn't pay to lose your temper, in fact it is most dangerous to do so and allow common sense to become reckless-

4. Observe and encourage strict enforcement of traffic laws and regulations. These regulations work for — and not against that Very Important Person behind the wheel. When laws are enforced, deaths are reduced.

5. Be sure the vehicle you are driving is in safe operating condition.

AWS Section Opens Season September 15

R. D. Wyle Is Speaker; Y-12er Group Chairman

The first technical meeting of the fall season of the Northeast Tennessee Section of the American Welding Society has been announced for next Tuesday night, September 15. It will be a dinner meeting at Regas Restaurant, Knoxville, beginning at 7 o'clock.

Robert D. Wyle, assistant manager of quality control for the Babcock-Wilcox Co., Barberton, Ohio, will be guest speaker. He will talk on the practical considerations for welding of chromiummolybdenum steels, including the selection of electrodes, weld groove design, preparations, preheat, welding technique and post heat treatment. He also will discuss the development of low carbon chrom-ium-molybdenum electrodes and their metallurgical advantages.

T. C. Swindell, of the Y-12 Mechanical Engineering Department, is chairman of the section; Bert Searles, Mechanical Inspection, is vice chairman; and Harold Payne, also of Mechanical Inspection, is Secretary. C. H. Wodke, Oak Ridge National Laboratory, is a vice chairman and H. B. Harlan, Oak Ridge Gaseous Diffusion Plant, is treasurer.

Y-12 members of the section intending to be present at the dinner meeting may obtain tickets from Payne, Bldg. 9201-1.

Physics Seminar To Hear Talk By Duke Professor

The Oak Ridge National Laboratory Physics Division Seminar will henr Eugene Greuling, of Duke University, at the group meeting Friday afternoon, September 12. The meeting will be at 3:15 o'clock in the auditorium of Bldg. 4500, ORNL. The subject will be "The Revolution in Beta-Decay." Y-12 technical and scientific perinvited to attend the meeting.

UCC CONTRACTS AWARDED

Union Carbide Corporation has awarded contracts for 25 electronically controlled passenger elevators, four escalators and five freight elevators for the new UCC office building in New York City. A contract also was awarded for operation of the dining and kitchen areas in the new building, which will have a cafeteria and table authropological research has been

National Carbon Produces Largest Blocks Of Graphite

The largest blocks of nuclear pure graphite ever manufactured were produced recently by the National Carbon Company, Division of Union Carbide Corporation. They are 15 inches square by four feet long. They are being used in "The Argonaut," a university training reactor designed by the Argonne National Laboratory and put on exhibit at the Second International Conference on the Peaceful Uses of Atomic Energy in Geneva, Switzerland.

Each of the 150 blocks in the reactor were machined to ex-tremely close tolerances for accurate fit and ease of assembly at the exhibit site. National Carbon also provided the nuclear graphite required by two other re-actors in operation at the confer-

UCNC To Ask Commission For Right To Build Mine

Union Carbide Corporation has acquired the assets of the Globe Mining Co. in Wyoming through an exchange of stock. This acquisition, with property already owned by Union Carbide in that state, provides the basis for a proposal by Union Carbide Nuclear Company to the Atomic Energy Commission for a contract to build and operate a uranium mill in the Gas Hills area of the state of Wyoming.

NEW CENTER PLANNED

Early Applications For School Aid Urged Deadline Is October 17;

UCNC Registration Set

With registration and class opening dates nearing, Y-12ers intending to enroll in University of Tennessee Evening School undergraduate courses or UT Graduate School classes in Oak Ridge or Knoxville — or other instruction courses qualifying for aid under the Union Carbide Nuclear Company Educational Assistance Program - are urged to file their applications as soon as possible. Ralph Pearson, Training Department, coordinator for the Educational Assistance Program, points out that there are preliminary details to be worked out for every applicant before benefits of the plan can be enjoyed.

He also pointed out that Friday, October 19, will be the deadline for filing applications for benefits for the Fall Quarter of any ap-

proved courses. Eligibility, Benefits Described

To be eligible for benefits under the Educational Assistance Program, Y-12ers must be salaried employes with more than six months of Company Service credit. Courses selected must be those that will enable him to be more valuable on his own job — or to qualify for a better job with the Company. Benefits consist of payments by the Company of 50 per cent of the cost of tuition, books, supplies and laboratory fees.

Y-12 applicants for the benefits must gain approval from departmental and divisional supervision, as well as from the Y-12 Plant Superintendent.

Complete details of provisions of the Educational Assistance Program and courses qualifying for benefits may be obtained from Pearson in Bldg. 9704-2, plant phone 7751.

May Enroll September 16, 17, 18 For the convenience of any Union Carbide Nuclear Company employee wanting to enroll in the TASTY AUTUMN EATING SET UT Evening School undergraduate classes, either in Knoxville or Oak Ridge, the university has arranged for a special registration period in Oak Ridge. This will be from 6:30 p.m. to 9 p.m. on September 16, 17 and 18 at Room 116 Oak Ridge High School. This is the Oak Ridge office of the UT Evening School from where information on classes and other data may be obtained. C. W. Hartsell is in charge of this office and the telephone number is Oak Ridge 5-2851.

The regular registration dates service restaurant with about opened at Wartenstein Castle, near for Evening School classes are Vienna Austria.

AIEE To Hear Lane Talk At Meeting Thursday Night

A talk by T. E. Lane, Union Carbide Nuclear Company General Superintendent of Industrial Relations, will feature a meeting of the Oak Ridge Section of the American Institute of Electrical Engineers tomorrow night, Thurs-day, September 11. His subject will be "Engineers in Manage will be "Engineers in Management." The meeting will be a dinner session at 7 o'clock at the Alexander Hotel, Oak Ridge. The talk will be about 8 o'clock and the multiple invited to the session at 7 o'clock and the multiple invited to the session at 7 o'clock and the multiple invited to the session at 7 o'clock and the multiple invited to the session at 7 o'clock and the multiple invited to the session at 7 o'clock and the multiple invited to the session at 7 o'clock and the multiple invited to the session at 7 o'clock and the multiple invited to the session at 7 o'clock at the Alexander Hotel at 1 o'clock and the multiple invited to the session at 7 o'clock at the Alexander Hotel at 1 o'clock at 1 o'clo the public is invited to attend that part of the meeting.

Y-12ers Invited To Enroll In Oak Ridge Chorus Group

Y-12ers with musical ability desiring to sing with the Oak Ridge Chorus this season are cordially invited to report at rehearsals on every Monday night at 7:30 o'clock in Room C-125, Oak Ridge High School, behind the auditorium. Ed Francis, of the Fine Arts faculty of the University of Tennessee, succeeds Ambrose Holford as director of the chorus this season. Ruth Fisher will continue as accompanist

FOR Y-12 SPECIAL LUNCHES

Tasty autumn eating will be offered patrons of the 50-cent Special Lunch to be served at the Y-12 Cafeteria tomorrow, Thursday, September 11, and again next Tuesday, September 16. For tomorrow the main dish will be barbecued pork on toasted bun and next Tuesday roast beef hash will be the entree. Each Special Lunch also includes one vegetable, choice of salad or dessert and rolls and

The Bulletin Y-12 Sends Sympathy Published Weekly By And For Y-12 Employees Of UNION CASES OF TO McBirney Family

Many Attended Funeral On Sunday, August 31

Many sorrowing Y-12ers attended funeral services for the late H. C. McBirney on Sunday, August 31, at the First Presbyterian Church in Oak Ridge and interment rites at the Memorial Park cemetery. Mr. McBirney died at Oak Ridge Hospital on Saturday morning, August 30, following a long illness.

The former Y-12er came to this plant on September 1, 1947, as administrative assistant to the then Y-12 Plant Superintendent W. D. Lavers. At the time of his death he was Assistant Process Division Superintendent. He was employed by Carbide on January 8, 1944, and was transferred to the Y-12 Plant from the Oak Ridge Gaseous Diffusion Plant.

His many friends in Y-12 extend their most sincere sympathy to members of his family. Survivors include his widow, Mrs. Mary Mc-Birney; a daughter, Janet, and son, David; mother, Mrs. H. C. Mc-Birney, Long Beach, Cal., and a R. McBirney, of Bethesda, Md.

Honorary pall bearers at the funeral included many Y-12ers and other Oak Ridge friends. They were Y-12 Plant Superintendent John P. Murray, George A. Stras-ser, Dan H. Rader, Jack M. Case, W. K. Whitson, Jr., Ernie Zurcher, W. S. Nelms, Dr. William P. Hardy and Dr. G. A. Andrews. Active pall bearers were George W. Mitchel, George W. Evans, Roger F. Hibbs, Ernest E. Kennedy, Joe L. Williams, Claude Hensley, C. A. Rinderer and Harvey Burnhart.

Mr. McBirney was a member of the First Presbyterian Church and took an active part in the Community Chest campaign of 1950.

Early Applications For School Aid Urged

Continued from Page 1 September 25, 26 and 27 at the same time and place, when Y-12ers also may enroll.

Classes Begin September 29

The Fall Quarter classes of the Evening School will begin on Monday, September 29 and continue through Friday, December 12.

The Oak Ridge Resident Gradu-ate classes of UT registration will be on Monday, September 22, from 6 p.m. to 9 p.m. at the Oak Ridge Institute of Nuclear Studies Training Building. Classes will start Thursday, September 25. The Oak Ridge Adult Education

Program list of courses has not been announced, but is expected include the usual vocational classes and other subjects.

Get well wishes are extended the following Y-12 employees who were patients last week in the Oak

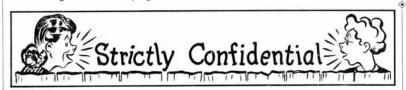

Ridge Hospital: Mary Nell Smith, Material Control; Hazel Willis, Medical; Ross Eichron, Property Sales; E. L. Hill, Buildings and Grounds; F. A. Wells, Product Processing; A. T. Bradford, Sunflower Shop; R. F. Graham, General Machine Shop; M. J. Jewett and R. D. Shank, Process Maintenance; M. Whited,

to 8 p.m. One out of four traffic Jan Beatty, returning to Carson same hours.

In the first place, it seems that the CC's word about early press time for the last week's edition didn't get around as well as hoped neering, and her husband, John, week are combined with those intended for the September 3 edition. So the whole batch is being tossed into one barrel and it is hoped everything will come out

SHIFT SUPERINTENDENTS AND GENERAL UTILITIES

The Division rallied to pipe "Adm." Dan Rader aboard last week after his recent illness B Shift Superintendent Finley Creigh is vacationing again-this time for two weeks North of the Mason-Dixon Line.

J. L. Finchum, Utilities, Labor Dayed in Atlanta.

R. P. Mann, Steam Plant, spent the holidays in Brownsville, Tenn.

TECHNICAL

An old pal returned to action for the Colyum when Esther Moody, Project Engineering, former Conductor of this department, sat herself down and came up with a flock of items from the Engineering Division for the vacationing Kay Sideris and Frank Fuis —
thanks young 'un.

Madeline, alias Marge, Keck,
Technical Division, and her hus-

band chose Texas and maybe New Mexico for their vacation site.

Contract Administration Engineering missed the bright and shining (sunburned) face of Ronnie Steinglein during her recent Oak Ridge vacation - her big brother, Freddie, was at home on 30-day leave from service after which he was due to report for duty in Hawaii (that ain't hard to take) . . . Peggy Silver and spouse, Virgil, ORGDP, interrupted their vacation plans with the purchase of a house in Oak Ridge and had to squeeze in some time for moving into the new Chez de Silver along with that trip to Washington, D. C. . . . John Snyder joined his folks at Myrtle Beach, S.C., for a week during their stay there . . . Lettie Ault spent a week with her sister at Cape Cod, Mass. . . A. E. Bittner and his sisters had a family reunion with him they had been together. The sisters are Mesdames A. H. Swenson, Westfield, N.J.; R. W. Osborn, Pataskala, Ohio; and U. W. Beachly, Pittsburgh, Pa. Cleo Sideris, Project Engineer-

ing and her mother went along with sister Kay on that Detroit vacation trip . . . Marjorie Gilliland visited her sister 'way down Electrical Maintenance.

Nearly three out of 10 motor vehicle accidents occur from 4 p.m.

Name Visited Her size way down in Alabammy on her vacation . . . Best wishes went along with Shirley Forbes, who has been transferred to Security; and for

After a week of trials and tribu- | gineering, spent a leisurely vaca clusive girl's camp at Bridgton, Me., and Mom herself took a week of vacation.

- so a lot of contributions this of Electrical Maintenance, had a wonderful two-week trip to Denver, Col., and Yellowstone National Park . . . Bob Orrison spent his vacation "putt-ering" around in preparation for the All-Carbide all right—as the surgical patient commented before going under the knife.

So — here's for another try—

Implementation for the All Calbide and Fall (and Fa back from two weeks of military training at Ft. Benning, Ga. . Norma Kennedy and her husband, Jim, spent a week in Gadsden, Ala., with his folks.

Bill Hood, Mechanical Engineering, launched his flashy, classy boat of "glaspar" in Knoxnew ville while vacationing . . . Barbara Pullen spent her week of vacation at home in Oak Ridge . A welcome goes to Ray Tiller, a co-op from UT; and also to new employee B. H. Fox . . . Get well wishes were sent J. F. Gibson, who recently was among the sick and afflicted . . Hearty congratulations to John Bennett on birth of son August 24 at St. Mary's Hospital, Knoxville . . . Nora Hurst has another grand-niece, the 32nd, 'tis said, the little gal being the daughter of Mr. and Mrs. Donald Colbert, of Washington, Ind. — the mother was the former Miss Druella Harris, of Knoxville.

More Mechanical Engineering news is - the department rejoices with the E. J. Asburys, who have just moved into their new home at Karns . Freestone has departed for Renssalaer Polytechnic Institute (whew) Troy, N.Y., to continue his engineering studies . . . R. V. Miskell is another newcomer to the department to be welcomed last week . . . The H. A. Pohtos were hosts last week to his brother and family from Cleveland, Ohio . . . J. R. Rose and family visited his parents in Bristol recently and did some fishing on Holston Lake.

The outstanding bowling teams of Electrical Engineering met in their fourth match of the season last Friday when the Markers answered the challenge of the T Squares by "warping those straight edges."

Elizabeth Johnson, Laboratory Division, and her husband,

Special Testing extends con-dolences to C. M. Knowles, whose father died recently . . . H. R. Gwinn is back from a West Virginia vacation . . . "If I were driving a jeep and somebody stole it, would I have to pay for that, too?" he asked.
"Sure," was the reply.
"Now I know why the captain always goes down with his ship," the rookie said sadly.

Champ Dorr, Tiller, Wiley And Hines In 16 Picked For Championship Group

63 P-12 Players Among Record Number Of 176 **UCNC Golfers Entered; Play Now Is Underway**

Out of 63 Y-12ers entered in the All-Carbide Golf Tournament, four were placed in the Championship Flight with Carl Dorr, Y-12, defending champion of the tournament, being assigned at the top of the seedings. The other three€

Y-12ers in this flight are Arnold Tiller, George Wiley and Art Hines, all in the lower bracket.

Competition in the tournament well underway this week, mostly at the Oak Ridge Golf and Country Club. However, players may select other courses on which to play matches by mutual agreement.

Consolation Flight Arranged

A record-breaking entry list of 176 golfers from Y-12, Oak Ridge National Laboratory and the Gaseous Diffusion Plant will vie for honors in the event. In addition to the Championship Flight of 16 golfers, 20 other full flights of eight players each were arranged according to handicaps of the entrants. Losers in the first round in the Championship Flight will play for consolation honors, but all other flights are single elimination affairs.

All first round matches are to be completed by Sunday, September 14, second round play by Sunday, September 21 and finals by Sunday, September 24.

Field To Chase Dorr
The field will be chasing Dorr in the All-Carbide. Not only is he defending champion, but also is Oak Ridge city champion, runnerup in the amateur scratch division of the recent Oak Ridge Invitational Tournament and was 1957 Southern Appalachian titlist in Knoxville. In addition to his victory in the All-Carbide last year, 11 other Y-12ers were flight win-

Y-12 entries in the tournament and the flights in which they will

compete follow:

CARELESS DRIVING IS KID STUFF!

True-Kennedy Hop To Ridge Loop Top

Gambill-Hamby Point Behind In Hot Race

The lead changed again last week in the Y-12 Golf League at Oak Ridge with the former first place team of Holzknecht-Peckman being dethroned by dropping a six-point whitewash defeat to Kahley-Evans. True-Kennedy took over the top rung by whipping Boyd-Oliphant by five points and Gambill- Hamby jumped into second place with a similar victory over Youngblood-Gilcrease. The 1957 champions, Emlet-Hines dropped a notch to fifth place by absorbing a four-point loss from Oxford-Collins. The Orrison-Thomson pair jumped into possible contention by trimming White-horn-Brown by five.

Other matches found Anderson-Nichols taking six points from Mc-Lendon-Mee, Bartholomew-Smith winning from Ratjen-Snyder and Pletz-Roberts beating Dehoney-Buckminster by the same score. Stroud-Tiller topped Hopkins-Belvin by five and four point wins were posted by Underwood-Shatley over Taylor-Lockhart, Davis-Arrowood over Speas-Cabe, and Mitchel-Tibbatts over Wallace-

Patterson. Bob Orrison had the low scratch score of 39 for the day and George Evans the best handicap with 32.

Y-12 Horseshoe Meet Is Underway

Stanley-Dunlap Take Season's Loop Title

The clang of horseshoes and metal spikes has been ringing through the air at the Jackson Square horseshoe pitching pits this week as Y-12 devotees to the sport are staging their individual competition, single elimination tournament. Play was scheduled to begin on Tuesday night of this week. 14 Contestants In Tourney

A total of 14 contestants will fight out the battle of ringers in the tournament. In the top bracket are H. Dyer, A. E. Bittner, Frank Zupan, Carl Coley, Joe Dunlap, Len Hart and Bill Hackett. Dunlap drew a bye in the pairings. The lower bracket consists of Avery Kendig, Vern Stanley, H. Wentworth, Charley Beckett, Joe Haggard, Clyde Smith and Frank Tiller. Haggard drew the bye in this bracket.

Vern Stanley and Joe Dunlar Horseshoe League play for seasonal honors To 11 sonal honors. In the second half of the season there was a three-way tie between Kendig-Coley, Beckett-Smith and Hart-Zupan for second place. A playoff for runners-up honors was to be held. Hart-Zupan came in second in the first half of the season

Trophies To Be Awarded

Trophies are to be awarded winners and runners-up in both the league and tournament play. League standing at the end of

the last half of the season follows: Dunlap-Stanley 12 12 12 Kendig-Coley Hart-Zupan Beckett-Smith Horton-Vermillion Hartridge-Bittner Hilton-Hackett

THESE Y-12 HORSESHOE PITCHERS have been having a big time this summer in the Plant Horseshoe League. In the picture at left in front are, from left, Charley Beckett and F. R. Hartridge. In rear are A. E. Bittner, Clyde Smith, Carl Coley

and Avery Kendig. The picture at right has Charley Beckett proudly pointing to a ringer by his partner, Clyde Smith, as Hartridge looks on. Most of these players are competing in the plant tournament now underway.
